Re: Notification by Telrite Corporation and Accxx Communications, LLC of  
an Asset Purchase Agreement - **Docket No.: 2006-169-C**

Dear Mr. Terreni:

Please allow this correspondence to serve as notification that the Office of Regulatory Staff does not oppose the Asset Purchase Agreement submitted by Telrite Corporation and Accxx Communications, LLC in the referenced docket. Furthermore, ORS is in receipt of the request for expedited review and does not oppose such.

Upon the Applicant's initial filing in this matter, ORS reviewed the status of the involved companies and made several requests of the Applicant. ORS discovered that the Applicant was inappropriately charging South Carolina customers \$1.97 for receiving paper bills. ORS requested that the Applicant cease charging the fee and refund customers for the past fees collected. The Applicant has since forwarded documentation stating that the action ORS requested as been completed.

Also, on November 22, 2006, Telrite and Accxx provided ORS with the June 30, 2006 gross receipts form for Accxx and the Universal Service Fund worksheet for Telrite. Therefore, since all requested information has been made available to ORS, we do not oppose the asset purchase or expedited review of such.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "C. L. Hammonds". The signature is fluid and cursive, with the first name "C." and last name "Hammonds" clearly distinguishable.
